Paging Transmitter

09.22.09

QUICK REFERENCE SHEET

Adding to Waitlist

- 1) Press Walk-In on the Touch Screen
- 2) At the Add Walk-In Wizard:
 - a. Enter the Guest's Party Size
 - b. Enter the Estimated Wait Time
 - c. Enter the Name of the party
 - d. Enter the Guest Pager number if handing out an on-premise pager or Mobile Phone number to use the guest's cell phone as a pager
 - e. If required, select preferences (e.g. Smoking, Table/Booth/Patio, Occasion, Special Need)
- 3) When all fields are completed, press Add Walk-In.

Paging

To page a guest that their table is ready:

- 1) Select a party from the waitlist by double tapping on the name.
- 2) Select an open table, press enter on the keypad.
- 3) Guest will now be paged and their table number will be displayed next to the party's name.

To page a staff or manager pager:

- 1) Touch the 'More...' button on the bottom right hand of the touch screen.
- 2) Select the pager you wish to message (If selecting a staff pager, enter pager number), press Enter
- 3) a. For star pagers, select Vibe 1, 2, 3 or Vibe/Beep Twice option to send a page
b. For alphanumeric pagers, select a preset message or type a custom message and press the send button on the touch screen.

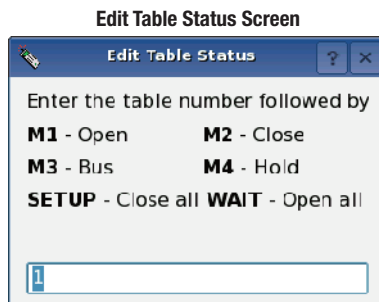

To page a guest pager:

- 1) Press the Page button on the transmitter 4-button keypad.
- 2) Type in the pager number and press Enter to send the page.

Edit Table Status

- 1) Press Tbl Stat on transmitter 4-button keypad.
- 2) Using the arrow keys on the keypad, highlight a table number and press Edit on transmitter main keypad.
- 3) When dialogue box appears, press a corresponding button on the transmitter main keypad to select an option for tables.

Note: Open and Close all tables can be done from any table number.
