CLS Series™

Lightweight and comfortable to wear.

Enhancing efficiency and productivity are priorities in the grocery business. Economical and easy to use, Motorola business two-way radios help improve customer service by keeping the staff connected – everyone from store managers and cashiers, to receiving personnel and stock clerks.

Instant communication in Grocery means:

- Employees are more productive
- Reduced operational costs
- Increased customer service and satisfaction
- Immediate price checks
- Quick response to emergencies and clean-up
- Improved restocking and merchandise flow
- Enhanced safety and security
- Faster merchandise receiving and unloading
- Reduced monthly operating costs

- NO CONTRACTS
- NO MONTHLY FEES
- NO PER-CALL CHARGES
- NO INFRASTRUCTURE REQUIRED

| Grocery Challenges | Two-way Radio Solutions |
|--|---|
| The need for faster, more responsive service. | Quickly contact clerks for price checks, or in-stock items. |
| Labor-intensive jobs with extensive hands-on work, and high employee turnover. | Lightweight, easy to use radios clip on the belt for hands-free portability. |
| Intense competition, deflationary pressures. | Employees can be more productive and responsive. Accelerates restocking and merchandise flow. |
| Thin profit margins. | Achieve better efficiency in purchasing and distribution. |
| Customers want a pleasant shopping experience. | Eliminate the noise and distraction of paging systems. |
| Establishment must be clean and well organized. | Call for immediate help with clean-ups and re-stocking. |

Lightweight Durability

Easy for employees to carry and hold all day, yet built to withstand everyday use.

Business Exclusive Frequencies

Motorola business two-way radios operate on exclusive frequencies for clear signal without interference.

Long Lasting Battery Life

Rechargeable Lithium Ion battery provides up to 12 hours of battery life.

Convenient Charging

Multi-unit and single drop-in and chargers keep radios charged, ready, and centrally located.

Accessories

Motorola offers a full complement of accessories for customizing radios to suit user needs.

A Motorola business two-way radio can pay for itself in less than 2 months.

If each worker saves 5 minutes per hour, watch your savings multiply...

| Hourly rate including benefits | Each radio pays for itself in... | Annual savings for 10 workers |
|--------------------------------|----------------------------------|-------------------------------|
| \$8 per hour | 35 days | \$14,000 |
| \$12 per hour | 24 days | \$21,000 |

Based on calculations using MSRP of \$189 for a two-way radio and on the hypothetical hourly wages of an employee or worker.
